# Planting Time Special

Plant glads in May and June for blooms in August and September, when flowers are scarce.

Order NOW and get DOUBLE VALUE.

Enclose this card with your retail order of \$3.00 or more. I will match your order with an equal value (my selection). Example -- If you send a \$5.00 order I will fill it and add another \$5.00 worth of bulbs.

Order now while I still have stock, because they will soon be planted.
